The Healthy Relationships Program is presently funded by a grant from the Minnesota Department of Health - Sexual Violence Prevention, and one from the Office of Violence Against Women at the federal level. The MDH funded-program works with WISE' GGAL students to help them decide if, when and how they want to interact with others. The focus of the program activities is to prevent dating violence, stalking, cyberstalking and sex trafficking through knowing how to differentiate between a healthy relationship and an unhealthy one; and to learn about bystander intervention which teaches them about the signs of abuse and how to safely intervene with a classmate, friend or family member to keep them safe. The OVW-funded program works with the entire student body at Washington Technology Magnet School on active bystander intervention, reviews/modifies school district policies and procedures to respond to disclosures of interpersonal violence by students, and collaborates with the school and the victim service provider Transforming Generations to ensure that victim/survivors and perpetrators may access advocacy, support and intervention services.
